Hello, Mr. Gladshaw.

Hi, this is Won Park. I'm calling about this month's bill. The thing is the cell phone plan that I signed with your company includes 500 free minutes for \$35 a month with extra charge applying after those minutes are used. Before I got my bill I dropped by a customer service center and asked how many free minutes I had left. The employee there told me I had 134 minutes left. Since there were only five days left till my billing date, I thought I'd use them talking to my friends. Even then I was on the phone only for an hour and a half. When I got my phone bill, what should be less than 40 dollars turned out to be \$275.47. I would like to know how this happened and if I still have to pay the full amount. Please call me at (031) 457-3680, Won Park. Thanks.
