Daiki,

As you know, the yearly training program is coming up, and we need two interns to work as coordinators. Gender or age doesn't matter as long as they are fluent in English. I am aware of the fact that you interviewed several applicants two days ago and was wondering if there were any we could use. Please send me a list of a few people that you feel are adequate, with their names, ages, and brief descriptions.

Mary

(Directions: Respond to the e-mail as if you are Daiki. In your e-mail, give ONE suggestion and TWO questions on the business training program.)

Part 3: Expressing an opinion

Some people think that same-sex marriage shouldn't be allowed. Other people think that legal marriage status should not exclude homosexuals. Which do you agree with and why?

(Directions: Read the question and think of a response)
